1. Call Meeting to Order:

The meeting was called to order by Chair Judge Kendall Kelley at 3:37 p.m.

2. Approve/Modify Agenda:

**Motion made by Supervisor Williams and seconded by Dr. Wellens to approve.
Vote taken. MOTION APPROVED UNANIMOUSLY.**

3. Approve/Modify Minutes of April 28, 2009:

**Motion made by Dr. Wellens and seconded by Supervisor Evans to approve.
Vote taken. MOTION APPROVED UNANIMOUSLY.**

4. Status of Board Vacancies (County Executive Tom Hinz):

Executive Hinz stated that there are presently two vacancies on the Board for citizen representation. He contacted Tim McNulty, Safety/Security Manager for NWTC, who is a retired lieutenant from Ashwaubenon Public Safety. Executive Hinz stated that Mr. McNulty expressed an interest and will be faxing the information sheet.

Executive Hinz noted that Jim Arts, Green Bay Police Chief, is on this Board, but is not able to attend many meetings. He asked if it would be beneficial to have someone such as Green Bay Municipal Judge Jerry Hanson or, perhaps, a rural judge such as Judge Ronald J. VanLanen of Hobart, on this Board. Supervisor Evans said he would like to have citizen representation in the position; and if that person is a judge, that would be okay.

Supervisor Williams agreed and stated that the citizen reps make this a Board as opposed to a Task Force; and the information that citizens contribute can provide a focus for the Board. He also stated that he would like having representation from rural areas, as well as someone familiar with homeless issues.

Executive Hinz asked that if anyone had suggestions for any of these positions to e-mail him.

Judge Kelley noted that Tom Eggebrecht, Interim Director of Human Services, will be sitting on the Board until a new Director is named.

Executive Hinz asked for goals of the Board; Judge Kelley stated that now the major focus had been the drug issue in the County. Judge Kelley indicated that the Board has been in the information gathering stage. Executive Hinz suggested the possibility of including persons affected by this, and Judge Kelley stated that he thought it was a good idea to include as much community involvement as possible. He continued by saying that getting a quorum had been a concern at times.

5. Report from the District Attorney Regarding Drug Prosecution (D.A. John Zakowski):

District Attorney, John Zakowski, distributed the "Criminal Drug Charges Filed in April 2009" report (attached). Judge Kelley asked if there were any specifics that the Board would like to have depicted in graphic or visual fashion in order to identify trends. It was suggested that information concerning age, ethnicity, and perhaps prior convictions and type of drug. Zakowski stated that he would try to distribute the information to Board members prior to the next meeting.

Supervisor Williams suggested that if there was a charge in another county could there be an indication of whether or not the person charged was living in that county at the time of the arrest. Zakowski stated that he would see if this could be included.

6. Community Drug Education Programs (D.A. John Zakowski):

No action taken.

7. Such Other Matters as Authorized by Law:

Judge Kelley stated that last year it was noted that some County Boards and Committees did not meet during the summer. He asked whether or not the Board members would be able to meet during the summer, in order to keep the momentum of this Board moving forward. Supervisor Evans suggested that a note be sent to Board members, listing the dates of the meeting, and requesting notification from any Board member who would be unable to attend a particular meeting. This way a meeting could be cancelled if the majority would not be able to attend. Judge Kelley stated that he would have that note sent.

8. Adjourn:

**Motion made by J. Jazgar and seconded by G. Wellens to adjourn at 4:35 p.m.
Vote taken. MOTION APPROVED UNANIMOUSLY.**

Respectfully submitted,

Alicia A. Loehlein
Recording Secretary
