1. **Call Meeting to Order:**
   The meeting was called to order by Chair Judge Kendall Kelley at 3:34 p.m.

2. **Approve/Modify Agenda:**

   Motion made by Supervisor Williams and seconded by J. Sellen to approve. Vote taken. MOTION APPROVED UNANIMOUSLY.

3. **Approve/Modify Minutes of October 27, 2009:**
   Judge Kelley noted that Tim McNulty should be listed as a Citizen Rep., along with Jeffrey Jazgar and Dr. Gerald Wellens.

   Motion made by J. Sellen and seconded by J. Jazgar to approve. Vote taken. MOTION APPROVED UNANIMOUSLY.

(Supervisor Pat Evans arrived at 3:36 p.m.)

4. **Report from the District Attorney Regarding Drug Prosecution (D.A. John Zakowski):**
   D.A. Zakowski was not available. Nicole Naze, Intern, presented several handouts (copies attached) and answered questions. Judge Kelley asked if a breakdown by age and gender would be difficult. He said he hopes this Board will be able to draw some meaningful conclusions and asked if there was additional information required by the members in order to proceed with this.

   Dr. Wellens said it is troubling to him that the felony vs. misdemeanor shows such a dramatic difference in race. He added that he is concerned about racial discrepancies or racial profiling. Mr. Richgels explained that sometimes prior charges could mean that a subsequent charge would automatically be a felony. Judge Kelley noted that this list represents the original charges and not

necessarily how an individual pleads out. Sheriff Kocken explained that much of the information his department gathers comes from informants. Supervisor Williams indicated that the numbers alone would not support or deny that there is a bias; and Judge Kelley said to suggest that profiling occurs would be a very serious allegation.

Supervisor Evans said he thinks it is appropriate to invite leaders of minority groups to address this Board and offer insights. Judge Kelley said as soon as you distinguish based on race, it becomes a racial perspective; and he opined that this can become problematic. Jeffrey Cano said he agreed with both viewpoints; he cautioned that recommendations should be based on fact, and the numbers could be easily skewed in a specific arrest. He added that these numbers could show whether or not police resources are being misallocated and whether or not the right people are being targeted; but he said conclusions cannot be drawn on a 6-month summary—more in depth study is needed.

Supervisor Evans reiterated that he would like to hear what Reverend Green of the NAACP has to say publically about these issues. Judge Kelley said he did not disagree with this, and continued by saying he is not suggesting that people could not be invited to speak. He stated that if there are some constructive suggestions as to what could help this issue, this Board would welcome that from anyone in the community at any time. Jed Neuman suggested inviting those who provide the information, like DTF (Drug Task Force) to offer that perspective.

Jeffrey Jazgar opined that the issue should be the types of drug coming into the community, because that is what needs to be cured. He opined that the racial information is actually irrelevant; the issue is where the funds should be directed, i.e., heroin education or cocaine education or specific groups that need to be helped. Mr. Neuman reminded the Board that it was charged with identifying the reasons there was a growing drug problem (when more money is being spent for law enforcement) and developing a program so the issue could be lessened in the community.

Supervisor Williams stated that this Board does not need diversity of color to have diversity of thought; and if Reverend Green is going to speak to this Board, he would like a targeted presentation on solutions that are not being addressed as a County.

Judge Kelley asked Ms. Naze if the reports could be subdivided by types of drugs involved and further broken down in the same manner as currently shown (age, race, gender, prior convictions, etc.). Ms. Naze will compile this.

5. **Community Drug Education Programs (D.A. John Zakowski):**
D.A. Zakowski was not available.

6. **OWI Legislation Update (Judge Kelley):**
Judge Kelley said Judge Zuidmulder had talked with him about using the same format as being used in the Drug Court and incorporating some of the OWI issues. He said he called today to learn the status of the OWI legislation: The Assembly and the Senate passed similar bills which would criminalize OWI First; and if there is a person 16 or under in the car, it would be prosecuted as an OWI

Second. For OWI Seconds and Thirds, there would be an option for probation; and a lot more emphasis will be placed on the ignition interlock. The fourth charge within 5 years becomes a felony; and there are minimum mandatory prison terms for additional charges. In addition, there are some options for requiring less jail time when the person is actively and successfully in treatment. He stated that these changes may actually be passed by January, 2010.

Ms. Sellen, Legislative Assistant, added that the concern at this point is how to pay for this, especially interlocking devices; and it is possible that this expense will be funded by increased fines for defendants. Since it is very difficult to collect the fines, she said the burden rests pretty heavily on Brown County at this point.

7. **Such Other Matters as Authorized by Law:**

Motion made by Sheriff Kocken and seconded by J. Neuman to hold off meeting until January 26, 2010. Vote taken. MOTION APPROVED UNANIMOUSLY.

8. **Adjourn:**

Motion made by J. Jazgar and seconded by J. Neuman to adjourn at 4:27p.m. Vote taken. MOTION APPROVED UNANIMOUSLY.

Respectfully submitted,

Lisa M. Alexander
Recording Secretary
