RE: 4755 Champion Rd., New Franken WI 54229

May 4, 2021

To Whom it May Concern;

In regards to the residence at 4755 Champion Rd. New Franken WI 54229:

- 4747 Champion Rd. Eugene and Joan Reynolds, no children reside there, they are considering placing their home for sale in the near future
- 4759 Champion Rd. – John and Barbara Trabert, although no children reside at the property, their property is routinely used for scouting events with both the Boy Scouts and Girl Scouts. The Bay-Lakes Council of the Boy Scouts of America sent a letter indicating they have had an increased use of the property for both meetings and outdoor programs as COVID-19 has impacted other alternatives. Their use of the property may be compromised by a registered sexual offender residing at the adjacent property.

Review of the 980 statute and residency restrictions. The statute specifies that the placement residence cannot be within 1500 feet from any school premises, childcare facility, public park, place of worship or youth center. "Youth center" is further defined as: any center that provides, on a regular basis, recreational, vocational, academic or social services activities for persons younger than 18 years old or for those persons and their families.

In addition, Supervised Release Rules #34 states: You shall not reside near, visit, be employed at, or be in the premises of any parks, schools, campgrounds, video arcades, day care centers, swimming pools, beaches, fairs/festivals, malls (shopping or pedestrian) or other places where children tend to congregate.

The Sheriff's Office believes the Trabert residence could arguably be considered a "youth center" and is certainly a place where children congregate, therefore, the Sheriff's Office is NOT in support of using this residence as a placement for offenders, 980 or otherwise. The Sheriff's Office values youth programs and would be opposed to placement of a sex offender impeding the continuation of these programs.
