He stated this is due to two grants which were received from the Baird Creek Great Lakes Restoration Initiative (2 years), and from the West Shore Pike Habitat Restoration (3 years). Dollars will be used to pay salaries for a Technician and Project Coordinator, purchase of

vehicles, computers, and various miscellaneous expenses. It is understood the positions will be deleted when the grants end.

Hafs explained that after the budget was printed, he was notified by the State that the department will receive an additional \$22,000 in cost share which is levy neutral. For the record the expense account number is 5801, and the revenue account number is 4302, both an increase of \$22,000.

TO THE HONORABLE CHAIRMAN AND MEMBERS  
OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies & Gentlemen:

**RESOLUTION REQUESTING WISCONSIN DNR TO SET REASONABLE WOLF  
POPULATION GOALS FOR THE STATE OF WISCONSIN:**

Resolution offered by the Supervisors of the Land Conservation Committee of  
Brown County Wisconsin.

**WHEREAS**, the Wisconsin Department of Natural Resources (WDNR) established a wolf population goal of 350 animals for the State of Wisconsin in 1999, and nothing has changed to increase prey availability for wolves or decrease human density since 1999; and

**WHEREAS**, the WDNR has not provided for meaningful wolf population control in any of its management efforts; and

**WHEREAS**, increase in wolf populations and wolves expanding their range may result in Brown County residents experiencing threatening incidents involving wolves; and

**WHEREAS**, the higher wolf population has resulted in lower deer populations in some locations in Wisconsin, reduced deer hunting opportunities, and increased the potential risk to domestic livestock, peoples pets, and humans to wolf attacks.

**NOW, THEREFORE BE IT RESOLVED**, that the Brown County Board of Supervisors request the WDNR to keep the wolf population goal for the State of Wisconsin at 350 or less in the next Wisconsin Wolf Plan; and

**BE IT FURTHER RESOLVED**, that the Brown County Board of Supervisors respectfully requests that the WDNR and other partners implement meaningful population controls in the next Wisconsin Wolf Plan to bring the wolf population down to the management

goal; and

**BE IT FURTHER RESOLVED**, that the Brown County Clerk be directed to forward a copy of this resolution to the Secretary of the WDNR, Secretary of the Wisconsin Department of Agriculture, Trade and Consumer Protection, all Brown County State Legislators and the Governor of Wisconsin.
