

CHAPTER 34
(Revised 6-1-1998)
BROWN COUNTY CLEAN INDOOR AIR

34.01 INTRODUCTION. The smoking of tobacco products and other substances indoors causes recognized adverse health effects on not only the individuals smoking but also on others. Smoking indoors adversely affects among other things, health, safety, comfort, employee production and building maintenance expenses.

While it is difficult to quantify exactly, smoking indoors also drives up publicly funded expenses in terms of increased health insurance premiums, increased sick leave use, increased building maintenance and decreased employee productivity. In addition, there is a public interest of taxpayers to an investment in its employees by paying their health insurance, and a need to maintain employee health to keep county costs from rising.

Brown County, having received information and recommendations from a study committee on smoking issues, considered the problems caused by smoking indoors and believing it to be in the best interest of Brown County and its citizens, has recommended that the Brown County Board of Supervisors adopt the Clean Indoor Air Ordinance set out herein.

34.02 PURPOSE, AUTHORITY AND INTENT. Reports from the Surgeon General, the Environmental Protection Agency and others show that smoking contributes to health problems of County employees and members of the public exposed to indoor smoke, both directly through deliberate use of smoking materials and indirectly, to nonsmokers, through involuntary inhalation of smoke in the air. This ordinance is enacted to protect the health and comfort of the public through the regulation of smoking, according to the authority granted this County by Sec. 101.123 (2)(c), Stats. (The Wisconsin Clean Indoor Act) and Sec. 59.07, Stats.

34.03 DEFINITION. "Smoking" as the term is used in this Ordinance means a lighted cigar, cigarette, pipe or any other lighted smoking item or equipment.

34.04 REGULATION OF SMOKING. No person may smoke indoors at any time in any of the County owned buildings listed in Appendix "A", located in the County of Brown, Wisconsin, as set forth in Appendix A to this ordinance.

Department Heads in all other county-owned, rented, or leased buildings not listed in Appendix A shall enforce a "No Smoking" policy consistent with Sec. 101.123, Stats. (The Wisconsin Clean Indoor Air Act).

34.05 PENALTY. Any person found guilty of violating this ordinance or any part of this ordinance, shall be subject to a forfeiture of not more than \$25.00, together with the costs of prosecution, and in willful default of payment of such forfeiture and costs of prosecution, shall be imprisoned in the county jail until said forfeiture is paid at the rate of 1 day for each \$25.00 fine.

Any person, firm, or corporation violating any of the subsections of this ordinance may stipulate to guilt or no contest and may pay to the Clerk of Court a bond according to a

schedule prescribed by the Circuit Court of Brown County. Such stipulation will make it unnecessary for the subject charged to appear in court, and will act as a basis for the court to enter judgment and order forfeiture of the bond. Forfeitures, penalty assessments, costs and fees shall be disbursed as provided in Wisconsin Statutes, Section 66.12.

Schedule of Deposits. Deposits shall be made in cash, money orders, or certified check to the Clerk of Brown County Circuit Court who shall provide a receipt therefore. And the amount of the bond is hereby affixed at \$25.00 plus surcharges or such amount that the Circuit Court of Brown County hereafter affixes.

Adoption of this ordinance does not preclude the County Board from adopting any other ordinance or providing for the enforcement of any other law or ordinance relating to the same or other matter. And issuance of a citation hereunder shall not preclude the County or any authorized officer from proceeding under any other ordinance or law by any other enforcement method to enforce any ordinance, regulation or order.

34.06 NOTIFICATION TO PUBLIC. The person in charge of any County building or his or her designee, shall cause to be posted at the entryway of all County buildings, signs notifying the public of the fact that the building is a smoke-free building. Absence of such sign, however, shall not be a defense to the violation of this ordinance.

34.07 ENFORCEMENT. All Brown County law enforcement officials of the Brown County Sheriff's Dept. are hereby authorized in the name of the County of Brown to issue citations for prosecution for violations occurring under this chapter as well as the Superintendent of Buildings and Grounds. In addition, such officials may delegate this authority to department heads and/or persons in charge of the County buildings set forth in Appendix A.

Prosecutions under this chapter shall be made by the issuance of citations and the procedure to be followed shall be governed by those Wisconsin Statutes Section 866.119 which are pertinent and applicable to its prosecution of ordinances by citation. The District Attorney or the Corporation Counsel shall, upon receipt of a complaint from the Sheriff's Department or Superintendent of Buildings & Grounds, institute appropriate legal proceedings against the alleged offender.

34.08 EMPLOYEE DISCIPLINE. In addition to or in lieu of enforcement of this ordinance by forfeiture, violations of this section by County employees and officers may be punished by appropriate discipline as a violation of a reasonable work rule as determined by the supervisor of the employee and/or the Superintendent of Buildings and Grounds.
