AODA Services & Treatment

Listed below are the different types of AODA services & treatments. Look for these terms on the following pages (pages 2-5) and the agencies that provide them in Brown County.

Aftercare: One-time, weekly group therapy (16-32 weeks) facilitated by a therapist, typically following an intensive outpatient or residential treatment.

Assessment: Meet with an AODA counselor, who will ask & answer questions about your alcohol/other drug use, plus give recommendations about the appropriate level of services.

Co-Occurring Disorders Treatment Services: Services that address both AODA & mental health issues.

Day Treatment: Meets during the day more than 12 hours per week, allowing you to return home in the evening.

Group Therapy: You meet with others who share similar issues in a group context 1-3 times per week. Groups are facilitated by a therapist.

Individual Therapy: Meet one-on-one with a therapist.

Intensive Outpatient Therapy (IOP): Meets up to 12 hours per week for groups therapy (average is 9 hours, 3 hours/3 times per week).

Medically Monitored/Managed Inpatient Treatment: 24/7 treatment in a hospital-like setting.

Medical staff can administer medications and provide medical evaluations/care.

Relapse Prevention: If you attended treatment in the past & have relapse history, this group therapy focuses on relapse triggers, warning signs, & making a relapse prevention plan.

Residential Treatment: 24/7 treatment in a non-medical, home-liked, unlocked environment. Can range from 30 to 90 days for a persons stay for treatment services.
