Rabies Coloring Book

Learn how to keep yourself safe from rabies!

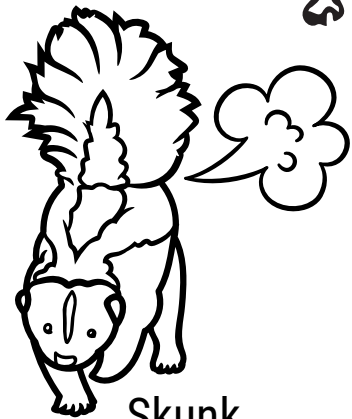

**This rabies coloring
book belongs to:**

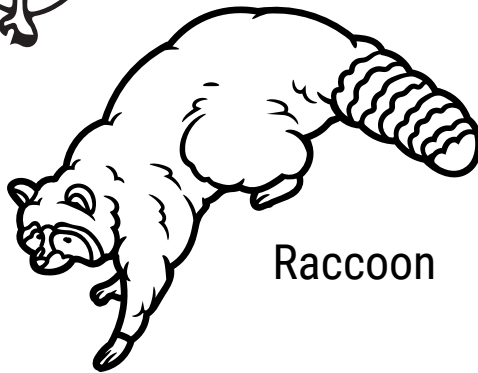

Do not bring stray animals
inside your home, even if
they look friendly.

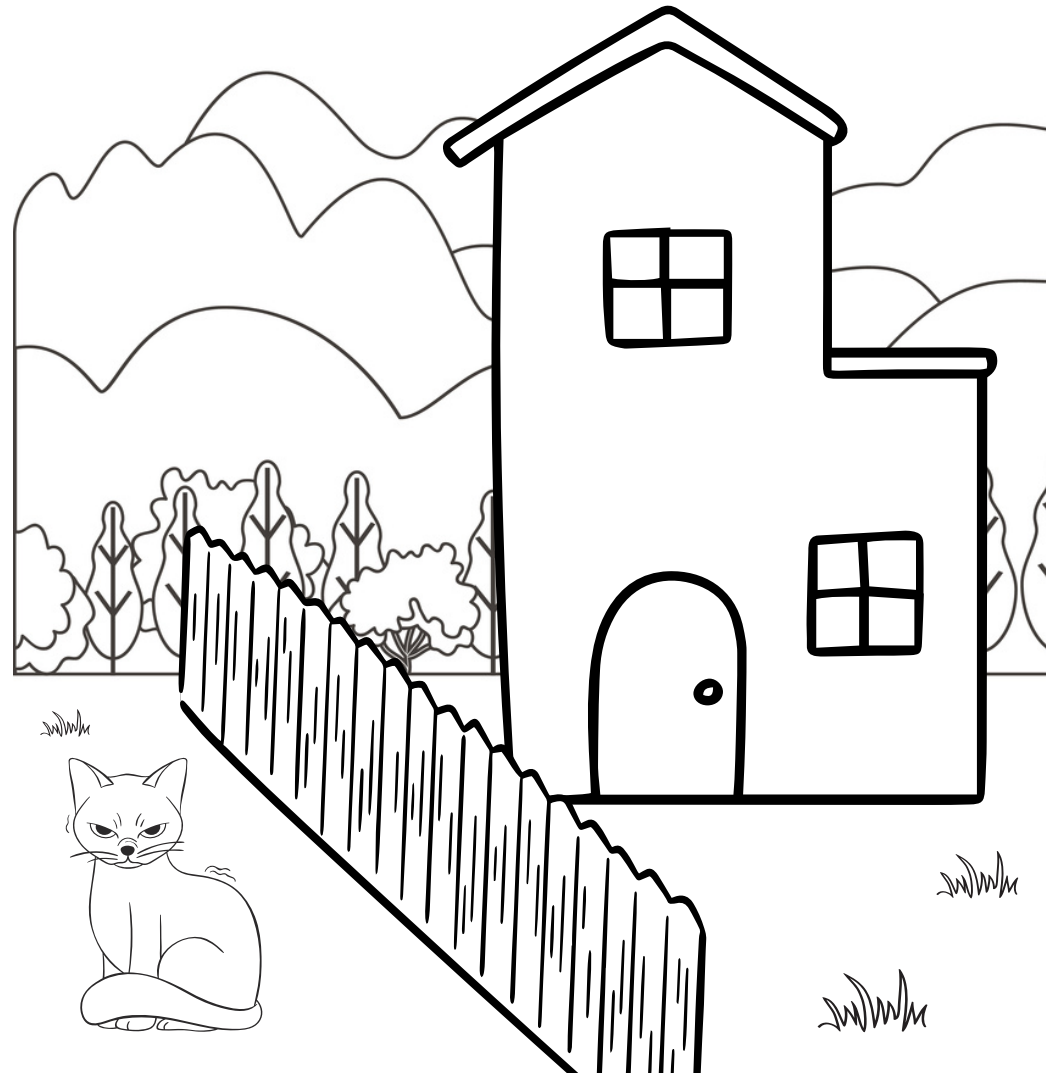

Bat

Skunk

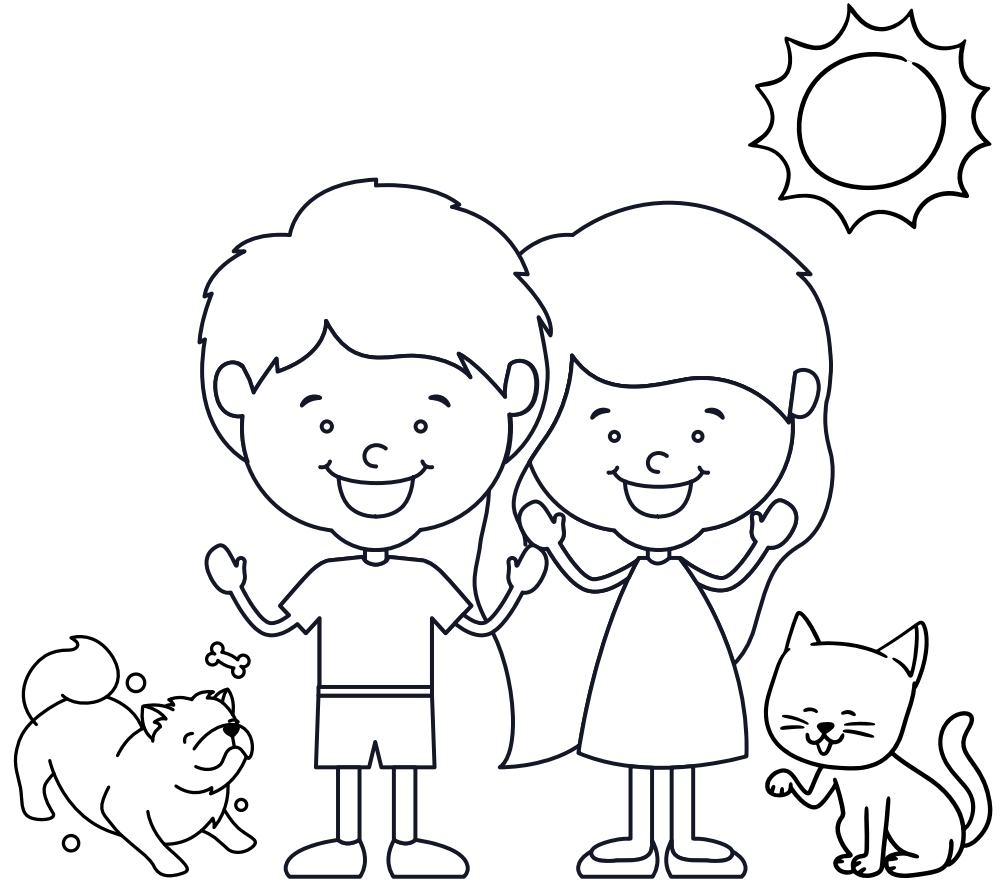

Raccoon

Never touch someone's pet without permission. Ask the owner if you can pet their animal.

Rabies is a disease that is caused by getting bit or scratched by an animal that has rabies.

Keep reading and coloring to learn how to keep yourself safe from rabies!

If you find a bat in your room, tell a parent or an adult right away.

Stay away from wild and stray animals.

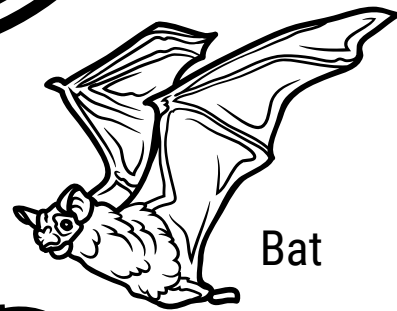

If one touches or bites you, tell a parent or an adult right away.
