Property Owner's Statement:

The undersigned hereby makes application for a permit to construct an animal feedlot facility on the property herein described. The work to be performed is described in the attached plan. The undersigned agrees that all such work shall comply with all applicable animal feedlot facility standards outlined in Standards 350 and 312 of the USDA Natural Resources Conservation Service's Technical Guide, all applicable County Ordinances and the laws and regulations of the State of Wisconsin, including NR 151 Runoff Rules.

The undersigned agrees to contact the Land Conservation Department and have a contractor meeting prior to construction.

The undersigned also agrees to certify in writing upon installation of the facility, that the facility was installed as planned and submit an as-built plan. Deviations from the original plan must be reviewed and approved by the Land Conservation Department prior to installation.
