Property Owner's Statement:

The undersigned hereby makes application for a permit to construct animal waste facilities or transfer equipment on the property herein described. The work to be performed is described in the attached plan. The undersigned agrees that all such work shall comply with all applicable animal waste facility standards outlined in Standards 634 and 313 of the USDA Natural Resources Conservation Service's Technical Guide and with all applicable County Ordinances and the laws and regulations of the State of Wisconsin.

The undersigned agrees to contact the Land Conservation Department and have a contractor meeting prior to construction.

The undersigned also agrees to certify in writing upon installation of the facility, that the structures were installed as planned and submit an as-built plan. Deviations from the original plan must be reviewed and approved by the Land & Water Conservation Department prior to installation.
