Subject: Green Bay MPO Federal Certification Review

Dear Mr. Dantine:

This letter notifies you that the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) jointly certify the planning process for the Green Bay Metropolitan Planning Organization (MPO). This certification is based on the findings from the Federal Certification Review conducted on August 9-10, 2022. The Certification Review Report will be forthcoming.

The overall conclusion of the Certification Review is that the planning process for the Green Bay MPO complies with the spirit and intent of Federal metropolitan transportation planning laws and regulations under 23 USC 134 and 49 USC 5303. The planning process at the Green Bay MPO is a continuing, cooperative and comprehensive process and reflects a significant professional commitment to deliver quality in transportation planning.

We would like to thank Cole Runge and his staff for their time and assistance in planning and conducting the review. Please note that the next Certification Review of the Green Bay MPO will take place during spring/summer 2026.

If you have any questions regarding the Certification Review process and/or the Certification action, please direct them to either Mary Forlenza of the FHWA Wisconsin Division at (608) 829-7517, or Bill Wheeler of the FTA Region 5 Office, at (312) 353-2639.
