

**Administrative Modification #1 to the  
2024-2027 Transportation Improvement Program (TIP)  
for the Green Bay Urbanized Area  
by the Brown County Planning Commission (BCPC)/  
Metropolitan Planning Organization (MPO) for the Green Bay Urbanized Area  
March 2024**

---

On March 6, 2024, the Brown County Planning Commission (BCPC) Board of Directors (MPO Policy Board) met and discussed a request from Green Bay Metro to reassign \$1,040,000 in approved Surface Transportation Block Grant (STBG) funds from the purchase of clean diesel buses to the purchase of one Battery Electric Bus (BEB).

The BCPC Board of Directors approved the change in use.

MPO staff explained the difference between a TIP Amendment and a TIP Administrative Modification at the meeting and noted the change would be processed as an Administrative Modification to the 2024-2027 TIP.

Administrative modifications to the TIP require **notification** of the BCPC Board of Directors, so **no formal action is necessary**. The program remains fiscally constrained.

The *2024-2027 Transportation Improvement Program (TIP) for the Green Bay Urbanized Area* can be found on the MPO's TIP web page at: <https://www.browncountywi.gov/departments/planning-and-land-services/planning/transportation-improvement-program-tip/>
