UPCOMING WORK FOR WEEK OF JUNE 13, 2022

- The Brown County Highway Department and Vinton Construction will be beginning a concrete pavement repair project on CTH F/Scheuring Road Monday, June 13th. During construction damaged concrete pavement, curb and gutter, and sidewalk will be removed and replaced. Access to all businesses will be maintained throughout the project. To accommodate concrete paving operations, eastbound and westbound lanes may be closed at different times for up to two days, during these closures traffic will be detoured using Lawrence Drive, Fortune Avenue, and Matthew Drive. Construction is anticipated to take ten weeks.
- Traffic on CTH F/Scheuring Road will be restricted to one lane in each direction beginning Monday, June 13th. Access to all businesses will be maintained.
- Construction will begin with placement of traffic control, sawcutting, removal of damaged pavement, and preparation for concrete repair.

ALL SCHEDULED WORK IS WEATHER DEPENDANT AND SUBJECT TO CHANGE
