

Brown County

EMERGENCY PETITION FOR COUNTY AID

The Town/Village of _____ (Municipality), through its undersigned duly authorized officers or officials, hereby submits this EMERGENCY petition to the Brown County Highway Commissioner for the noted bridge or culvert construction or repair. The authority for the Municipality to make this petition is per Section 82.08 of Wisconsin State Statutes (Villages are extended this authority per Section 61.48 of Wisconsin State Statutes). Per Section 82.08(4), "the construction or repair of (the) bridge or culvert must be made without delay."

The bridge or culvert construction or repair (Project) is identified as follows:

Project Information Table:

Explain the Necessity for Immediate Construction or Repairs:	
Project Location (Roadway):	
Name and Direction of Nearest Roadway:	
Old Structure Size (Span or Diameter): <i>Attach Pictures of Old Structure.</i>	
Anticipated New Structure Type & Size:	
Project Approved by the Municipality (Date):	
Estimated Project Engineering Cost (Total):	
Estimated Project Construction Cost (Total):	
Estimated Project Complete Date:	
Amount Petitioned (1/2 Total Const. Cost):	
*Admin. Charge x Amount Petitioned:	
Municipal Budget Total (1/2 Const. Cost + Admin. Charge):	

***Note:** The administrative charge is per Section 82.08(8) of Wisconsin State Statutes and is set at the State Rate. For 2024 the Rate is 4.30%. Each year this rate changes. This administration charge is only applied to the amount petitioned (half of the estimated project cost), not the entire project cost. The administration charge will be billed after the project is completed on a separate billing to the Municipality.

The Municipality confirms through this Petition that the Municipality has provided the funds required by Section 82.08(3). This Petition is made by the undersigned proper authority to make such request for the designated Municipality.
