

Brown County

PETITION FOR COUNTY AID

The Town/Village of _____ (Municipality), through its undersigned duly authorized officers or officials, hereby submits this petition to the Brown County Highway Commissioner for the noted bridge or culvert construction or repair. The authority for the Municipality to make this petition is per Section 82.08 of Wisconsin State Statutes (Villages are extended this authority per Section 61.48 of Wisconsin State Statutes).

The bridge or culvert construction or repair (Project) is identified as follows:

Project Information Table:

Project Location (Roadway):	
Name and Direction of Nearest Roadway:	
Old Structure Size (Span or Diameter): <i>Attach Pictures of Old Structure.</i>	
Anticipated New Structure Type & Size:	
Project Approved by the Municipality (Date):	
Estimated Project Engineering Cost (Total):	
Estimated Project Construction Cost (Total):	
Estimated Project Complete Date:	
Amount Petitioned (1/2 Total Const. Cost):	
*Admin. Charge x Amount Petitioned:	
Municipal Budget Total (1/2 Const. Cost + Est Admin. Charge):	

***Note:** The administrative charge is per Section 82.08(8) of Wisconsin State Statutes and is set at 4.30% for 2024, which will be used for budgeting 2025 projects only. Once the 2025 administrative charge rate is known from the State, that rate will be used for the 2025 projects and billed after the project is completed. This administration charge is only applied to the amount petitioned (half of the estimated project cost), not the entire project cost.

The Municipality confirms through this Petition that the Municipality has provided the funds required by Section 82.08(3). This Petition is made by the undersigned proper authority to make such request for the designated Municipality.
