RE: Project ID 9277-01-00
T Lawrence, County EE
Mourning Dove Ct to Lawrence Dr
Brown County

You are invited to attend a public meeting to discuss the proposed intersection improvements at County EE and Mid Valley Drive. Please refer to the map on the back of this letter. The meeting will be in an open house format (no formal presentation will be given).

5:00 pm to 6:30 pm Tuesday, December 5, 2022
Lawrence Town Hall Community Room
2400 Shady Court
De Pere WI 54115

Representatives from Brown County and the design consultant, Ayres Associates, will be available to talk with you individually. The objective of the meeting is to provide an opportunity for the public to review project designs, ask questions, and provide feedback to the project team.

The purpose of this project is to improve safety and capacity of the intersection. Proposed improvements include constructing a new roundabout at the intersection of County EE and Mid Valley Drive.

Right-of-way acquisition is not anticipated for this project.

Construction is scheduled for the summer of 2025. The intersection will be closed to traffic during construction, and a signed detour will direct traffic around the construction project. Access will be maintained to the properties within the construction limits.

Any person wishing to attend who, because of a disability, requires special accommodations should contact Andy Dana at (920) 327-7826 on or before November 28, 2023, so arrangements can be made.

If you cannot attend the meeting and have questions, please feel free to contact the Brown County Project Representative, Andy Dana, at (920) 327-7826 or at DanaA@AyresAssociates.com.

Sincerely,

A handwritten signature in blue ink that reads "Paul Fontecchio".
