**Old Business:** None

**New Business:**

1. **West De Pere High School – Every 15 Minutes:** Judge Hock supports this program, incredibly well run and effective. Chief Muraski states the intent would be for the De Pere Police department to co-sponsor application. Motion by Mayor Genrich and seconded by DA Lasse to approve grant application with co-sponsorship by the De Pere Police Department. Chief Muraski abstains from the vote. **Motion carried.** If additional funds are needed for the program, they should be advised they can come back to the committee for additional funding.
2. **Providence Academy for Nightlock & Sleeve devices for classroom additions:** County Executive Streckenbach questions why they did not budget for these with the original request. Discussion previous grant was from 2023 and co-sponsored by the Brown County Sheriff's Department. This is for new classrooms / new construction. Sheriff Delain feels there are sufficient funds remaining, approximately \$13,000. Motion by Sheriff Delain to support this grant request with the Brown County Sheriff's Department to co-sponsor. Seconded by DA Lasee. **Motion carried unanimously.**

County Executive Streckenbach questions if there is an organization that assists with the Every 15 Minute Program? Many community businesses and entities partner and participate in the event. County Executive to reach out to school districts / resource officers to try to promote additional schools to consider this event with grant funds available. Attempt to have program multiple times a year

and rotate between school districts. Sheriff Delain states his resource officers work with Denmark and Wrightstown. Discussion it is a huge time commitment and heavy work load to accomplish. County Executive discusses the Funding Board could set aside x amount of funds for school districts to promote Every 15 Minute programs. This can be added to Agenda for Old Business for next meeting and Funding Board to reach out to resource officers or school districts with additional follow up.

Proposal to meet the second Tuesday of the month for 2026. Meeting dates set for 2026: March 17, 2026, June 9, 2026, September 8, 2026 and December 9, 2026.
