Public Safety	
Interoperable Two-Way Radio System (Phase II)	<u>\$          1.00</u>
<b>Total</b>	<b>\$10,440,001.00</b>

WHEREAS, the County Board finds and determines that the Projects are within the County's power to undertake and each Project serves a "public purpose" as that term is defined in Section 67.04(1)(b) of the Wisconsin Statutes; and

WHEREAS, the County is authorized by the provisions of Chapter 67 of the Wisconsin Statutes to borrow money and to issue general obligation corporate purpose bonds or promissory notes (collectively, such bonds or notes shall be referred to herein as the "Series 2011 Bonds or Notes") for such public purposes.

NOW, THEREFORE, BE IT RESOLVED, by the County Board, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Corporate Purpose Bonds or Promissory Notes, Series 2011 in an amount not to exceed \$10,440,001 for the purpose of paying the costs of the Projects.

BE IT FURTHER RESOLVED, by the County Board, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such Project which constitutes construction shall be submitted to the appropriate oversight committee of the County Board for prior approval.

BE IT FURTHER RESOLVED, that the County Clerk (in consultation with the County's financial advisor) is hereby authorized and directed to cause notices of the sale of the Series 2011 Bonds or Notes to appear in such publications and at such times as the County Clerk may determine.

BE IT FURTHER RESOLVED, that the County Clerk (in consultation with the County's financial advisor) shall also cause Official Notices of Sale to be prepared and distributed and may prepare or cause to be prepared and distributed Official Statements or other forms of offering circular.

BE IT FURTHER RESOLVED, that following receipt of bids for the Series 2011 Bonds or Notes, the County Board shall consider taking further action to provide the details of the Series 2011 Bonds or Notes; to ratify the Notice of Sale; to award the Series 2011 Bonds or Notes to the lowest responsible bidder or bidders therefore; and to levy a direct annual irrepealable tax sufficient to pay the principal of and interest on the Series 2011 Bonds or Notes as the same becomes due as required by law.

BE IT FURTHER RESOLVED, that the County shall make expenditures as needed from its funds on hand to pay the costs of the Projects until bond proceeds which may be issued in the maximum principal amount for the Projects become available. The County hereby officially declares its intent under Treasury Regulation Section 1.150-2 to reimburse said expenditures with proceeds of the Series 2011 Bonds or Notes.

Adopted: March 16, 2011

Respectfully submitted,  
BROWN COUNTY BOARD OF SUPERVISORS

### **ATTACHMENT TO RESOLUTION #9A**

Referring to the March 16, 2011 Board of Supervisors Meeting

To: Brown County Board of Supervisors

Date: 3/21/11

From: John Luetscher, Corporation Counsel

**Question: Was there a requirement for a vote on the bond resolution in its entirety after the projects identified in the initial bond resolution were separated for discussion and voting independent of each other?**

When the Board of Supervisors reached agenda item “9a” “Initial Resolution Authorizing the Issuance of Not to Exceed \$ [15,750,000] Corporate Purpose General Obligation Bonds or Notes of Brown County, Wisconsin in One or More Series at One or More Times”, there was a general request for “separation” and Chairman Zima stated “We are going to take each item separately on “9a”.

The Board then began to discuss the first project listed: “Election Tabulation Equipment”. After discussion concerning bonding for this equipment, the Board voted 21 yeas – 4 nays to bond \$600,000.00 for the equipment purchase (3/4 majority required).

The Board then considered the second project: “Courthouse Building Automation System/HVAC Equipment Upgrades” \$120,000.00. After discussion the Board voted on bonding for this project and the motion failed 15 yeas – 10 nays (3/4 majority required).

The Board then took up the third project listed on the resolution: Highways (repairs and improvements) \$7,990,000.00. After minimal discussion the Board voted on a motion to bond for the highway repairs and improvements in the requested amount 23 yeas – 2 nays. (3/4 majority required).

The fourth project was bonding of \$1,850,000.00 for “Financial/Human Services Management System Electronic Medical Records (EMR)”. After minimal discussion the Board voted 21 yeas – 4 nays to bond in the proposed amount for this project (3/4 majority required).

The fifth and final project discussed and voted upon was bonding of \$2,518,850.14 for “Interoperable two-way Radio System (Phase II)”. A motion was made to approve bonding in

the above amount. There was lengthy discussion and the rules were suspended to permit public comment. After debate, a motion was made to bond for \$1,500,000.00 for the two way radio system. The vote on this motion was 16 yeas, 8 nays, 1 abstention. The motion failed (3/4 majority required). It is worth mentioning this motion was not characterized or treated as a motion to amend the proposed bond amount of \$2,518,850.14. A motion to amend would have required a simple majority to pass, so if it had been a motion to amend, it would have passed.

After this bonding vote failed, there was further debate. A motion was made to bond for \$1.00 for the two-way radio project. This motion garnered the necessary majority for bonding of 21 yeas, 3 nays, and 1 abstention (3/4 majority required).

After the vote on the final project there was a need to vote on the question of bonding for the fees associated with the bond issue. Chairman Zima stated at first "we need to vote on the bond costs" and asked for the number. Somehow the concept of bonding for the issuance fees changed into a final bond motion summing up all of the "bond issuances" previously - approved by 3/4 majorities and then adding in the bond issuance fees.

Chairman Zima called for a "motion to adopt bond issue as amended in the sum of \$10,590,000.00". The motion was made and seconded. The vote failed to garner the 20 yeas necessary to bond for the issuance fees 19 yeas, 5 nays (3/4 majority required). Because of the wording of the motion, supervisors became concerned the entire bond issuance failed.

It is this final motion and vote that caused confusion. All the Board needed to do was vote on bonding for the fees. There was no need to vote on an amended bond resolution because it had not been amended. Once the Chairman ordered that each project be voted on separately, there was no need to vote on all of the projects collectively to issue the bonds. Indeed, to require a vote on all of the projects together defeats the purpose of separation. A supervisor has the right to request separation on a composite resolution so the supervisor can vote yes/no on the separate items. If a supervisor has separately voted "yes" and "no" on different projects that have passed, then he or she will be "whipsawed" between the "yes and no votes" on a final collective vote for all of the projects. The point of "separation" is to permit the supervisor to avoid this whipsawing.

Accordingly, the failure of this final vote on all of the approved bond issues collectively has no impact on the bonding for the projects the Board had already approved. Bonding for individual projects must pass with a super majority once-- not twice-- to be effective. The final vote means bonding for the issuance fees failed and that is all.

I looked at minutes of past Board of Supervisors meetings when initial bond resolutions were addressed for guidance.

At the April, 2005 Board of Supervisors meeting, there was an initial resolution for general obligation bonds totaling \$12,620,000.00 for four different projects. A motion was made to adopt the entire resolution and Supervisor Fewell requested separation on all four items. On that evening, the controversial project was bonding for \$4,000,000.00 for renovations to the Mental Health Center. The other three projects were approved with little or no discussion, individually. The bonding for the Mental Health Center was discussed separately. There was an effort to amend the purpose for the bonding that failed. The motion to approve the bonding for the Mental Health Center failed to obtain the 3/4 majority. There was no motion on all of the

approved projects together and the votes were on each of the projects on an individual basis. There was no motion to bond for the issuance fees.

At the April 2007 Board of Supervisors meeting, the Board addressed an initial resolution for issuance of bonds totaling \$29,940,000.00 for four projects including \$6,575,000.00 for highway improvements.

A motion was made to adopt the resolution and then a request for separation on voting on the bonding for the Claude Allouez Bridge highway improvement was made. After discussion, a motion was made to approve \$830,000 in bonding for this bridge. The vote on this motion failed. Another motion was made to bond for \$635,000 for the bridge. There was discussion and other motions for bonding in different amounts were made. Eventually, a motion was made to reconsider the original motion to approve \$830,000 in bonding. A vote was taken and the motion to reconsider and carried with the necessary  $\frac{3}{4}$  majority. A motion was then made to adopt all of the remaining "unapproved" projects in the bond resolution together. There was no further request for separation and the resolution was passed.

Supervisor Haefs told me he has a distinct recollection of voting on all of the approved projects in a bonding resolution together in the past. I could not find evidence of this type of vote in the prior bond resolutions I reviewed but I did review a somewhat different situation that occurred with an initial bond resolution in September 2000. At the meeting, the Board considered an initial bond resolution consisting of three projects including bonding for jail pod expansion. No supervisor requested separation but there was discussion and motions to amend the amount to be borrowed for the jail pod project and eventually the amount was amended. A supervisor then moved to adopt the bonding plan as amended and the motion carried with the  $\frac{3}{4}$  majority. In this instance the supervisors addressed their concerns for an individual project through amendments to the resolution without requesting separation. The votes on amendments were not votes to approve the bonding so there had to be a vote to adopt the amended resolution at the end. This situation is similar to the chain of events on 3/16/2011 but did not involve separation or individual votes to approve bonding on each project. The events of September, 2000 are distinct from the events on March 16, 2011.

Separation of projects for voting occurred with the 2005 and 2007 initial resolutions and there was no collective vote on the separated projects. Once separation occurs with a resolution involving several questions, the separated questions are addressed on an individual basis only.

In spite of the confusion and the failure of the final vote concerning bonding for the issuance fees, the individual projects approved separately by the required super majorities stand and were not impacted by the final vote on the fees. I have shared this information with Attorney Tom Klanchnik, our bond attorney and he informed the votes on the separate projects meet the requirements of Wisconsin law relating to issuance of municipal bonds. Mr. Klanchnik informed me the separate approvals for the various projects do not prevent the county from issuing bonds for all approved projects at one time to save on the cost of issuance. The county can go forward with the bonding pursuant to the decisions made by the Board of Supervisors at their 3/16/11 meeting.

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

WHEREAS, the County is presently reviewing the Welfare Fraud Investigation Unit and considering other ways to accomplish the work more efficiently and cost effectively; and

WHEREAS, the Human Services Department researched several options and an internal avenue was identified; and

WHEREAS, the Sheriff's Department has been conducting fraud investigations on an interim basis and the following benefits of using law enforcement were identified:

- Law enforcement can address fraud referral allegations utilizing their extensive interviewing skills which can lead to consumers admitting to fraud;
- Improves the quality of accurate and factual reporting and documentation in compliance with the timeframe agreed to by all parties;
- Prevents the issuance of incorrect benefits upfront reducing re-work;
- Presence of law enforcement with resources immediately available increase security within the department and out in the field;
- Continues to build collaboration and enhance established relationships with the District Attorney's Office and other outside agencies; and

WHEREAS, after a thorough review by the Human Resources Department in conjunction with the Human Services and Sheriff's Departments, it recommends the deletion of (2.0) FTE Welfare Fraud Investigator positions from the Human Services Table of Organization and the addition of a 1.0 FTE Sergeant (Welfare Fraud Investigations) to the Sheriff Department's Table of Organization to accomplish fraud investigations more efficiently and cost effectively; and

WHEREAS, the Human Services and Sheriff's Departments budgets include grant funding as well as budgeted funds for the Sergeant position with an overall net savings for Community Programs; and

NOW, THEREFORE, BE IT RESOLVED by the Brown County Board of Supervisors that it hereby approves the deletion of (2.0) FTE Welfare Fraud Investigator positions in the Human Services Table of Organization and the addition 1.0 FTE Sergeant (Welfare Fraud Investigations) position in the Sheriff Department's Table of Organization.

BE IT FURTHER RESOLVED that the funds to cover the costs resulting from the adoption of this resolution shall be made available from grants and funds budgeted for this purpose.

FROM: Deb Seidel, Human Resources Analyst

RE: Department of Human Services Request for Changes in the Table of Organization  
Sheriff's Department Request for Changes in the Table of Organization

DATE: February 10, 2011

#### **Introduction:**

In the 2011 budget, Human Services unfunded 1.00 FTE Welfare Fraud Investigator position. Human Services had an opportunity to review the work of the fraud area and consider other ways to accomplish the work efficiently and cost effectively. After further research and several discussions an RFP is now in process; however, an alternative initiative was identified as a result, and the Human Services and the Sheriff's Department have submitted a request for Table of Organization changes.

#### **Research Completed:**

- A. Review of the Welfare Fraud Investigator position description
- B. Creation of new Job Description
- C. Several discussions between Human Services Director, the County Executive and Sheriff's Department.
- D. Review of results of the investigator conducting the investigations in the interim
- E. Identified and contacted counties having this proposed structure in place

#### **Discussion:**

Human Resources reviewed the request along with the Economic Support Administrator and the following benefits were identified:

- Advantages of Law Enforcement:
  - Access to numerous systems and resources available to law enforcement officers. These systems aid in determining potential fraud situation and in addition identify if consumers have a criminal background or violent tendencies that would make it necessary for the investigator to have back up safety procedures (officers) in place.
  - Have extensive interviewing skills which can lead to consumers admitting to fraud and signing statements attesting to the facts on the spot.
  - Have the authority to charge consumers with obstructing an officer when collecting facts for the investigation.
  
- Identified Productivity Improvements:

- Sheriff's Department has been conducting fraud investigations on an interim basis and a review of the results between 1/19/11 and 2/7/11:
  - 17 referrals
  - Fraud was identified in 15 of the 17 cases
  - Obtained 8 signed confessions
  - Immediate estimated cost impact \$11,000; however, the case needs to be reconstructed for repayments and actual earnings re-verified to determine total cost impact
  - 3 cases potentially will be referred to the DA's office
- Fraud was identified quickly and efficiently by interrogating the consumer.
- Cases were immediately acted upon by the Economic Support Worker and benefits were reduced or terminated, minimizing overpayments due to the timely actions by the Sheriff's Department.
- Addresses Safety Concerns:
  - Presence of law enforcement and resources readily available immediately when necessary will increase security.
    - The "interim officer" responded to a disorderly person that refused to leave the lobby in Human Services, was removed and cited February 2, 2011.
  - Regular and consistent communication with their department and safety protocol followed by Sheriff's Department (i.e. radioing in location before going to a home visit).
  - Law enforcement visibility to clients.
- Enhances Established Relationships with Multiple Offices:
  - Continues to enhance Sheriff Department's collaboration with the District Attorney's Office, Green Bay Police Department, contracted Village Direct Enforcement Officers, Drug Task Force, and FBI.

In addition, three other counties were contacted who already made this transition:

Rock County:

- Sheriff's Department conducts the fraud investigations for Economic Support and had done so for over 30 years.
- Sheriff's Department Detective determines whether or not a fraud referral goes to pre-charge diversion or court. The decision is based on the amount of the overpayment and strength of case. The usual cutoff for pre-charge diversion is \$2500, an amount above that is usually sent to court for prosecution. A weaker case will usually go to pre-charge diversion even if the overpayment amount is high.
- Economic Support Worker, the Fraud Supervisor, the Detective and the DA's office work together and are all present at the pre-charges.
- Memorandum of Understanding between Human Services and the Sheriff's Department.
  - Requirements in the MOU:
    - Quality of the investigation report and findings addressing the issues of the fraud referral allegations and documentation is factual and accurately reported.
    - Investigations that exceed 90-calendar day time frame are out of compliance unless additional time is requested and approved.

- Reimbursement to the Sheriff's Department is up to a maximum based upon actual costs per referral up to the extent of funding available from the State of Wisconsin for fraud activities.

Sheboygan County:

- Contract directly with their Sheriff's Department
  - Investigations that exceed 28 day turnaround time frames will be considered unsatisfactory and out of compliance.
- Reimbursed \$225.00 per completed verification/investigation as determined by the Health & Human Services Department Economic Support Division. The amount is all inclusive, including but not limited to travel, overhead, insurance clerical support, office supplies, reproduction services, etc...
- Fraud Prevention Verification/Investigations are primarily intended to prevent the issuance of incorrect benefits, not to accomplish criminal prosecutions.

Door County:

- Transition made three years ago.
- Philosophy is "fraud is a crime".
- Sheriff's Department took on the responsibilities with no added cost to Human Services.
- Having a deputy testify strengthens the case with the District Attorney's office.
- Main focus is to get repayments, which is large when Medicaid/Badger Care is involved.
- Prior to this structure, Economic Support contracted with an outside vendor and it was less than effective.

**Recommendation:**

Delete 2.00 FTE Welfare Fraud Investigator positions from the Human Services Table of Organization. Add 1.00 FTE Sergeant (Welfare Fraud Investigations) to the Table of Organization.

**The following is the fiscal impact for the table of organization change:**

Delete 2.0 FTE Welfare Fraud Investigator Positions:

	<u>10 Months</u>	<u>Annual</u>
Salary	62,090	74,508
Fringe	31,852	38,223
Unfunded 1.0 FTE in 2011 Budget	(46,971)	(56,366)
<b>Total</b>	<b>46,971</b>	<b>56,365</b>
Add 1.0 FTE Sergeant Position	<u>10 Months</u>	<u>Annual</u>
Salary	56,362	66,534
Fringe	29,432	34,744
<b>Total</b>	<b>85,794</b>	<b>101,278</b>
Cost Difference	<u>10 Months</u>	<u>Annual</u>
	38,823	44,913

The net fiscal impact of the position change for 2011 (10 months):

	<u>Total Salary &amp; Fringe</u>	<u>Less Grants</u>	<u>Net Funding</u>
Welfare Fraud Investigator	46,971	42,099	4,872
Sergeant	85,794	71,214	14,580
Difference	(38,823)	(29,115)	(9,708)

Net cost of \$9,708

**No. 9c -- RESOLUTION RE: CHANGE IN TABLE OF ORGANIZATION INFORMATION SERVICES DEPARTMENT (ADDITION OF LIMITED TERM POSITION)**

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

WHEREAS, the County is presently selecting a vendor or vendors for the purchase, installation, implementation, training and support for the following software systems at the Community Treatment Center:

- Qualified Electronic Health Records (EHR) for Outpatient
- Qualified EHR for Inpatient
- Qualified EHR for Skilled Nursing Facility
- Lab Information System
- Patient Billing System for Outpatient, Inpatient, Skilled Nursing Facility and Lab Services Department; and

WHEREAS, this project is large, complex and will involve almost all operations of the Community Treatment Center; and

WHEREAS, the federal government has set deadlines in 2012 for completion of conversion to an EHR System, and failure to comply with the deadline will have a substantial financial impact on the Community Treatment Center; and

WHEREAS, the Information Services Department and the Human Services Department will need to cooperate and work closely with the vendor or vendors selected; and

WHEREAS, after a thorough review by the Human Resources Department in conjunction with the Information Services Department and the Human Services Department, it recommends the addition of 1.0 FTE Limited Term Project Manager to the Information Services Table of Organization to insure the successful and timely completion of this project. This Limited Term position would be hired for the duration of the EHR project; and

WHEREAS, the Department of Human Services budget includes funds allocated for the completion of this project that can be used to fund a Limited Term Project Manager position with benefits.

NOW, THEREFORE, BE IT RESOLVED by the Brown County Board of Supervisors that it hereby approves the addition of 1.0 FTE Limited Term Project Manager position to the Information Services Table of Organization for the duration of the EHR project.

BE IT FURTHER RESOLVED that the funds to cover the costs resulting from the adoption of this resolution shall be made available from funds budgeted for this purpose.

**Fiscal Impact:**

Position Title	FTE	Grade	Addition/ Deletion	Salary	Est. Overtime	Fringe	Total
Project Manager (LTE)	1.0	RR	Addition	\$62,404	\$23,401	\$33,710	\$119,515

This resolution does not require an appropriation from the General Fund, since the position will be funded with EHR project funds.

Human Resources Manager  
FROM: Bob Heimann  
Director of Information Services  
RE: Department of Information Services Request for Changes in the  
Table of Organization  
DATE: February 7, 2011

The Director of Information Services submitted a request for a Table of Organization change. Human Resources reviewed the request along with the Director of Information Services and the Director of Human Services. With the pending implementation of the new Electronic Health Records (EHR) system the Director of Information Services has evaluated the resources within the department, and is requesting 1.0 FTE Project Manager equivalent limited term employee with benefits for the duration of the project to insure the successful and timely completion of this project.

The funds to support the limited term position are in the 2011 budget in the Department of Human Services. The following change is recommended to the Department of Information Services Table of Organization. The fiscal impact for 2011 is based on 12 months of employment.

**Fiscal Impact:**

**No. 9d -- RESOLUTION RE: INTERNATIONAL MIGRATORY BIRD DAY**

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE  
BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

WHEREAS, migratory birds are some of the most beautiful and easily observed wildlife that share our communities; and

WHEREAS, many citizens recognize and welcome migratory songbirds as symbolic harbingers of spring; and

WHEREAS, these migrant species also play an important economic role in our community, controlling insect pests and generating millions in recreational dollars statewide; and

WHEREAS, migratory birds and their habitats are declining throughout the Americas, facing a growing number of threats on their migration routes and in both their summer and winter homes; and

WHEREAS, public awareness and concern are crucial components of migratory bird conservation; and

WHEREAS, citizens enthusiastic about birds, informed about the threats they face, and empowered to help address those threats can directly contribute to maintaining healthy bird populations; and

WHEREAS, since 1993 International Migratory Bird Day (IMBD) has become a primary vehicle for focusing public attention on the nearly 350 species that travel between nesting habitats in our communities and throughout North America and their wintering grounds in South and Central America, Mexico, the Caribbean, and the southern U.S.; and

WHEREAS, hundreds of thousands of people will observe IMBD, gathering in town squares, community centers, schools, parks, nature centers, and wildlife refuges to learn about birds, take action to conserve them, and simply to have fun; and

WHEREAS, while IMBD officially is held each year on the second Saturday in May, its observance is not limited to a single day, and planners are encouraged to schedule activities on the dates best suited to the presence of both migrants and celebrants; and

WHEREAS, IMBD is not only a day to foster appreciation for wild birds and to celebrate and support migratory bird conservation, but also a call to action.

NOW, THEREFORE, BE IT RESOLVED by the Brown County Board of Supervisors that it hereby proclaims May 14, 2011 as International Migratory Bird Day in Brown County, Wisconsin and urges all citizens to celebrate this observance and to support efforts to protect and conserve migratory birds and their habitats in our community and the world at large.

Respectfully submitted,  
PLANNING, DEVELOPMENT AND  
TRANSPORTATION COMMITTEE

**No. 9e -- RESOLUTION RE: APPROVING THREE-YEAR STATEMENT OF INTENTIONS FOR WISCONSIN DEPARTMENT OF TRANSPORTATION'S HARBOR ASSISTANCE PROGRAM**

TO THE HONORABLE CHAIRMAN AND MEMBERS OF THE  
BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

WHEREAS, the attached Three-Year Harbor Development Statement of Intentions describes proposed improvements which are in the best interest of the Port of Green Bay; and

WHEREAS, the Wisconsin Department of Transportation, in accordance with state statute, requires a statement of project intentions from local units of government intending to apply for federal and/or state aid related to harbor work of benefit to commercial transportation within the next three years; and

WHEREAS, the Harbor Commission and the Planning, Development and Transportation Committee have carefully reviewed the estimated project costs, funding sources, physical locations and alternatives to the proposed projects; and

WHEREAS, the total local matching funds required for the projects indicated as being funded through the Wisconsin Department of Transportation's Harbor Assistance Program range from twenty (20%) percent to fifty (50%) percent; and

The additions will assist in the safe handling and transfer of flammable liquids as well as reduce the need in future dredging , It will also assist in the reduction of soil sediment from dock area.

PART I Project Description and Objective(s)

**Project Name: Green Bay Harbor Navigational Channel Deepening Project**

Deepen federal navigational channel from Grassy Island to the East River Turning basin to St. Lawrence Seaway specification of 26'3". Presently the channel is 26' to Grassy Island then shallows to 24' until the Main St. Bridge and 22' beyond. The channel would need to be dredged a distance of 4 miles. The U.S. Army Corps of Engineers may then be authorized to conduct a Feasibility Study consisting of a cost/benefit analysis to determine if deepening the whole federal channel is warranted. The port would benefit by decreasing shipping costs and expanding cargoes presently not received because the cargoes are transported on ocean-going ships requiring the necessary seaway draft. The total quantity of material to be dredged from the navigational channel is an est. 870,369 cy at a cost of \$25.00/cy or \$21,759,225.
