TERMINATION OF CONTRACT FOR CAUSE:** If through any cause, the CONTRACTOR shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if the CONTRACTOR violates the covenants, agreements or stipulations of this Contract, the COUNTY shall have the right to terminate this Contract by giving written notice, as provided for in Section

23 "Notices" of this Contract, to the CONTRACTOR of such termination. Written notice shall be provided to the CONTRACTOR at least five (5) days before the effective date of such termination. The COUNTY, in its sole discretion, may allow the CONTRACTOR a reasonable amount of time to cure a breach of the terms of this Contract, if the COUNTY determines that the breach is amenable to a cure. The COUNTY shall not unreasonably withhold such permission. The COUNTY'S decision to allow the CONTRACTOR a reasonable amount of time to cure said breach in one instance does not constitute a waiver of a subsequent breach of the same or any other term of this Contract, nor shall it be deemed to waive the need for further consent or approval from the COUNTY to cure any subsequent breaches, regardless of their nature.

This contract may be terminated by either party for no reason by giving twenty (20) days written notice to the other party of said termination.

In the event that this Contract is terminated for any reason by either party, all finished and unfinished documents, data, studies, surveys, drawings, maps, models, photographs, reports or other materials related to the services prepared by the CONTRACTOR under this Contract shall, at the option of the COUNTY, become the property of the COUNTY.

Notwithstanding the above, the CONTRACTOR shall not be relieved of liability to the COUNTY for damages sustained by the COUNTY by virtue of any breach of this Contract by the CONTRACTOR, and the COUNTY may withhold any payments due the CONTRACTOR for the purpose of set off until such time as the exact amount of damages due to the COUNTY from the CONTRACTOR shall be determined and recovered.

- 12. CHANGES:** All changes that are mutually agreed upon by and between the COUNTY and the CONTRACTOR, including any increase or decrease in the amount of the CONTRACTOR'S compensation, shall be in writing and designated as written amendments to be attached to this Contract.
- 13. WAIVER:** No provision of this Contract may be waived, unless the waiver is made in writing and is signed by a duly authorized representative of each party. One or more waivers by any party of any term of this Contract will not be construed as a waiver of a subsequent breach of the same or any other term hereof. The consent or approval given by any party with respect to any act by the other party requiring such consent or approval shall not be deemed to waive the need for further consent or approval of any subsequent act by such party.
- 14. PERSONNEL:**
 - A.** The CONTRACTOR represents that it has or will secure, at its own expense, all personnel required in performing the services under this Contract. Such personnel shall under no circumstances be deemed employees of or have any contractual relationship with the COUNTY.
 - B.** All of the services required hereunder will be performed by the CONTRACTOR or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such services.
- 15. ASSIGNMENT:** The CONTRACTOR shall not assign or transfer this Contract and shall not transfer any interest in it without the prior written consent of the COUNTY. Claims for money due or to become due to the CONTRACTOR from the COUNTY under this Contract may be assigned to a bank, trust company or other financial institution without COUNTY approval; however, notices of any such assignment or transfer shall be furnished promptly to the COUNTY.
 - A. Records:** Establishment and Maintenance of Records - Records shall be maintained by the CONTRACTOR with respect to all matters covered by this Contract. The records shall be maintained for a period of three (3) years after receipt of final payment under this Contract, except as otherwise authorized or required by law. CONTRACTOR will notify COUNTY prior to destroying document(s) and offer the right of refusal.
 - B. Documentation of Cost** - All costs of the CONTRACTOR shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers, or other official documentation evidencing in proper detail the nature and propriety of other accounting documents pertaining in whole or in part to this Contract, shall be clearly identified, readily accessible and shall be retained in accordance with the laws of the State of Wisconsin.
- 16. AUDITS AND INSPECTIONS:** In the event that the COUNTY deems it necessary to conduct an audit or inspection, the CONTRACTOR shall, during normal business hours, furnish or make available at a time designated by the COUNTY and in the form required by the COUNTY, information, records and reports regarding powers, duties, activities, organization, property,

financial transactions, method of operation, or any and all other records, reports or information in the CONTRACTOR'S custody or control as deemed pertinent by the COUNTY to this Contract.

The CONTRACTOR shall provide to the COUNTY'S inspectors or auditors access to all property, equipment and facilities in the CONTRACTOR'S custody or control as the inspectors or auditors deem related to the services provided or purchased under this Contract. The CONTRACTOR shall be expected to provide, at the CONTRACTOR'S expense, reasonable time by the CONTRACTOR'S personnel as may be required for the COUNTY'S inspectors or auditors to perform the inspection or audit.

Any information provided to the COUNTY'S inspectors or auditors which is deemed confidential by federal, state or local laws shall be held as confidential and not disclosed to the public unless legally required otherwise.
